Transportation Leadership Council (TLC)

Transportation Leadership Council (TLC)
Student Chapter at The University of Texas at El Paso (UTEP)

"Dedicated to developing transportation leaders of tomorrow"

About us

The Transportation Leadership Council (TLC) is a student driven organization being formed at The University of Texas at El Paso and also at each Southern Plains Regional Transportation Center (SPTC) member university.

The SPTC was established to develop comprehensive, cost- effective, and imminently implementable solutions to critical infrastructure-related issues facing the transportation systems of the region and the nation; and to prepare transportation professionals for leadership roles in professional and research careers in support of the nation's transportation systems.

Objectives

- To promote transportation related researches
- To inspire students in research oriented education
- To encourage students to participate in leadership, teamwork, and networking for professional development
- To collaborate with different student organizations for running student oriented activities
- To provide a platform for students to learn and share
- To conduct professional meetings and workshops

Activities

- Conduct meetings, workshops and seminars related to research and development of transportation infrastructures.
- Invite transportation professionals as guest speakers
- Support community services
- Organize career expo and other similar events
- Promote networking opportunities
